**Status Report filed 06/12/15 states:** most of the property was distributed to the beneficiaries in a preliminary distribution by order of this Court on 06/02/05. The estate contains a bank account with a balance of approximately \$150,000.00 at this time. The Court also allowed the Co-Administrators to form an LLC to hold the remaining assets of the estate, namely, four parcels of environmentally contaminated real property. Pursuant to the Court's order, the Elm & Church, LLC was formed and currently holds a bank account with a balance of \$50,000.00 as well as the four parcels of real property. At the time of decedent's death, an environmental contamination problem related to previously installed underground fuel storage tanks had been discovered and was in the process of being analyzed and remediated by the Decedent utilizing Krazan & Associates ("Krazan").

Prior to forming Elm & Church, LLC, the Administrator and her counsel retained environmental specialist Alexandra Bannon who advised that due to the contamination problems of the Property, it was imperative to keep the beneficiaries of the estate out of the chain of title to the Property in order to avoid personal liability under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA).

The environmental contamination on one of the parcels has been cleaned up, but the remainder of the property has undergone no remediation whatsoever, and by reason of its close proximity to the remediated parcel, is suspected of being environmentally contaminated.

The Administrator has made diligent efforts to sell the property during the past two years, and at one time had the property in escrow for sale. However, the buyer failed to perform.

The Administrator continues to try to sell the property and is working with brokers to that end. However, to date, no such sale has materialized. Accordingly, the Administrator requests that, in accordance with the advice of the estates environmental counsel, that the administration of the estate be allowed to continue until a sale of the property can be effected.

 Probate Status Hearing

<b>DOD: 7/27/05</b>		<b>PUBLIC ADMINISTRATOR</b> was appointed Successor Administrator on 1/20/15. Letters issued 2/5/15.  <b>History: JEFFREY MCCLAY</b> , Son, was appointed Administrator with Full IAEA with bond of \$252,000.00 on 5/23/06. Bond was filed and Letters issued 8/31/06. I&A filed 2/7/07 indicated residential real property valued at \$300,000.00.  On 5/10/07, a Request for Special Notice was filed by Probate Referee Steven Diebert. On 10/12/07, a Creditor's Claim of \$1,105.65 was filed by Cancer Care Associates of Fresno. There was no further activity in the estate the Court set the matter for status hearing in 2013.  On 9/10/14, Attorney Alexander filed a petition for final distribution on behalf of his absconded client pursuant to Probate Code §10953(c). The petition indicated that the Administrator borrowed a sum of money to satisfy obligations and expenses of the estate, secured by the real property, and intended to make a distribution to his sister, make necessary repairs, and assume the loan after closing. The attorney was unaware whether any distribution of loan proceeds was made, whether any payment to the sister was made, or whether any repairs were made on the residence. The attorney requested surcharge of the Administrator to the extent of any breach of fiduciary duty, etc., and also requested statutory and extraordinary attorney's compensation.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  <u>Minute Order 9/15/15:</u> The Court takes this matter under submission as to the issue of whether or not the surety company is liable for full surcharge based on the bankruptcy issue. It appears he pulled all the credit line money out, and the residence was sold at a trustee sale in 2010 for \$155,000.00. **Declaration of Tracy A. Stevenson Regarding Discharge of Surety's Liability Upon Bankruptcy of Personal Representative filed 6/5/15 states:** Jeffrey M. McClay, the decedent's son, was appointed administrator of the decedent's estate on or about 5/23/06. ACIC filed its administrator's bond on behalf of Jeffrey M. McClay in the penal sum of \$252,100 on or about 8/31/06. In applying for that bond, McClay executed an indemnity agreement wherein he agreed to indemnify and reimburse the surety for all losses, attorney fee, and costs of any nature resulting from issuance of the bond.

On or about 7/8/08, while still acting as administrator of the estate, Jeffrey M. McClay filed a Voluntary Petition for Bankruptcy in the Eastern District of California, Case Number 2008-14472. That petition disclosed that he was administrator of the estate and as such held titled to the decedent's real property, subject to an encumbrance, and that he was an heir of the estate.

Because he was administrator at the time he filed for bankruptcy protection, the estate is charged with having knowledge of the bankruptcy filing and will failing to take action to seek relief from the bankruptcy court to protect its interests or pursue a claim. As such the estate's claim against McClay has been discharged by the bankruptcy court and the estate is barred from pursuing surcharge against him.

Because a claimant is required by law to obtain a surcharge judgment against a fiduciary before the surety's liability arises, the estate is legally precluded from proceeding against the surety in this matter.

Because McClay is bound by an indemnity agreement to indemnify the surety for all losses and fees and costs in connection with the bond, pursuing the surety would cause post-discharge economic loss to McClay and interfere with the fresh start granted by his bankruptcy discharge. (The surety did not receive notice of the bankruptcy action and the bankruptcy discharge does not preclude the surety from seeking indemnity from McClay, which it would do.) See authority provided.

The declaration concludes that the estate's ability to pursue surcharge against Jeffrey McClay has been discharged by the bankruptcy court, and the estate's ability to pursue the surety on its bond is also discharged for two reasons: 1) a surcharge against McClay is a prerequisite to pursuing the surety, and a surcharge cannot be sought; and 2) pursuit of the surety would violate the fresh start objective of the Bankruptcy Code.

**Response of Public Administrator to Declaration of Tracy A. Stevenson was filed 9/10/15.**

**SEE ADDITIONAL PAGES**

**Response of Public Administrator filed 9/10/15 states** although Ms. Stevenson refers to her document as a declaration, it is in fact an objection to the surcharge of the former Administrator. Her client, American Contractors Indemnity Company, will therefore be referred to as Objector.

According to the Court docket, the former administrator's attorney filed a petition for final distribution on 9/10/14. The petition included surcharge of McClay and for liability on the bond. The hearing on that petition has been continued several times for the attorney to provide notice, surety company to conduct discovery and file an objection, and the PA to file a response to objections.

**The PA states McClay's bankruptcy case is irrelevant to the surety's obligation to make good on its bond.** See CCP §§ 996.410 and 996.460, which specifically authorize this surcharge action and make Objector's liability independent of McClay's liability. The purpose of a bond for estate administration is to ensure that the estate can be made whole in the event a fiduciary (McClay) absconds with funds, and is unable to make the estate whole. Under the facts of this case, McClay did not faithfully execute his fiduciary duties, but rather violated that duty by stealing assets from the estate. Under the clear terms of the bond, the obligations to remit payment to the estate remain "in full force and effect."

**The estate's claim against McClay is NOT discharged because of his knowledge of his bankruptcy filing because his knowledge is NOT imputed to the estate.** The estate's claim is not discharged simply because McClay, the fiduciary, was aware of his own bankruptcy. His duty is to the beneficiaries and creditors of the estate. He did not make his bankruptcy known to anyone who had standing to object to his fraudulent taking of estate assets. There is no evidence before this court that he advised the bankruptcy trustee or judge of his fraudulent taking of estate assets. The PA used the case number provided to view the Federal Court's online case information system. The Estate of Joann McClay is not listed among the creditors of this case. This is not surprising since the only way it would be listed would be for McClay to have revealed his theft from the estate to the bankruptcy trustee and judge. Simply put, his knowledge cannot be imputed to the beneficiaries and creditors because of his breach of fiduciary duty and conflict of interest.

**The PA states obtaining a surcharge against the personal representative is NOT a prerequisite to pursuing a claim against the surety so the estate CAN pursue the surety.** See CCP §§ 996.410 and 996.460, stating that the principal and surety are liable jointly and severally. The PA agrees with Objector that the liability of a surety comes only after entry of judgment; however, Objector provides no basis for her statement that "this is generally taken to mean ...surcharge against the principal." The statute stands on its own and merely states entry of judgment. The PA is doing just that, seeking an entry of judgment against the surety, as authorized by state law.

**The estate is NOT barred from pursuing the surety bond because it would NOT violate the fresh start objective of the bankruptcy code.** First, the fresh start concept is to protect the principal. Second, the concept is not intended to protect the principal from all judgments. See authority. Third, by seeking payment from the surety, the PA is not seeking a judgment against the principal and thus is not violating the principal's right to the fresh start. The surety will do that if it decides to seek indemnification from McClay after paying on its claim to the estate.

**Conclusion:** There being no argument that McClay embezzled from the estate, the PA requests the Court deny the objections and surcharge the surety company, ACIC, the amount of \$252,100, to be paid to the PA as successor administrator of the estate of Joann McClay.

**Note:** Tracy A. Stevenson, attorney for Surety, American Contractors Indemnity Company, filed a Reply on 9/14/15. The reply cites authority and concludes that to pursue recovery, one must first obtain a surcharge judgment against McClay. However, surcharge cannot be pursued because the estate's claim has been discharged by the bankruptcy court. It is respectfully requested that the Court deny the request to surcharge.

**SEE ADDITIONAL PAGES**

**Status Report Regarding Estate Assets filed 12/2/15 by Public Administrator states** at the status hearing on 9/15/15, the Court took this matter under submission as to the issue of whether or not the surety company is liable for full surcharge based on the bankruptcy issue. If the Court rules in favor of the Public Administrator, the matter will be set for further status regarding the apportionment of the surcharge. The underlying petition for final distribution was continued to 12/15/15.

To date, the Court has not issued a ruling regarding the surcharge. The 90<sup>th</sup> day will run on the date of this status hearing. Therefore, the Public Administrator requests that this matter not be set again before 60 days.

<p>Petitioner states the Fifth Account and Report for the period of 1/1/14 – 12/31/14, was settled and approved by Order dated 5/21/15. The payment of attorneys' and trustee's fees for services rendered during 2014 was approved by the court, and those fees have been paid.</p> <p>Since the Order of this Court dated 5/21/15, and in accordance with the Order Authorizing the Sale of Real Property entered 7/15/14, Petitioner has now completed the sale of the majority of the property in Folsom, California known as the "Broder Ranch" for approximately \$8.3 million. Approximately \$7.1 million of the sale proceeds were delivered initially to an exchange intermediary in order to facilitate a like-kind exchange of real property pursuant to Internal Revenue Code §1031. A replacement property was purchased from these funds for approximately \$4.1 million, and two additional replacement properties were under contract as of 9/17/15.</p> <p>Petitioner anticipates the sale of the Broder Ranch property will result in significant income tax liability to the estate, given the very low income tax basis on the Broder Ranch. Although the like-kind exchanges is expected to ameliorate those consequences considerably, Petitioner request authority to pay attorneys' and trustee's fees relating to the sale within this calendar year in order to generate deductions that will further reduce the estate's income tax liability for 2015.</p> <p><b>Please see additional page</b></p>

During the period 1/1/15 through 9/14/15, Downey Brand LLP, attorneys for petitioner, performed numerous and sophisticated legal services in connection with the marketing, division, sale and development of the Gift Trust real property, as well as legal services regarding various tax considerations for further investment proceeds, and the acquisition of the exchange properties, all of which is over and above the services rendered in the general course of trust administration.

**Petitioner alleges that the reasonable value for such services is \$20,013.50.** (See Declaration of Attorney filed 11/19/15.)

Petitioner states he has spent a considerable amount of time relating to the marketing, division, development and disposition of the Broder Ranch, as well as the subsequent acquisition of like-kind exchange property, all of which are over and above the services rendered in the general course of trust administration. In addition, Petitioner discovered a partnership interest (in the Esperanza Village Associates, LP) and had to spend a considerable amount of time negotiating the sale of that interest for an appropriate price. Petitioner has spent 411.6 hours related to these additional duties as trustee through 9/17/15. (See declaration of Trustee filed 11/19/15.) **Petitioner believes reasonable compensation for Petitioner's additional services as trustee is \$61,740.00** which is computed at \$150 per hour.

**Wherefore, Petitioner requests an Order:**

1. Authorizing Petitioner to pay his attorneys. Downey Brand LLP, fees in the amount of \$20,013.50 for services rendered in connection with the sale of the Broder Ranch and reinvestment of the sale proceeds;
2. Authorizing Petitioner to pay himself, as trustee of the Gift Trust, fees in the amount of \$61,750, for services rendered in connection with the sale of the Broder Ranch and the reinvestment of the sale proceeds and the sale of the Esperanza Associates partnership interest.

See petition for details.			<b>NEEDS/PROBLEMS/COMMENTS:</b>  <u>Note:</u> Deborah Boyett, Court appointed attorney for Conservatee, filed Notice of Non-Opposition on 5/29/15.  1. The Court may require clarification or payment from the trust rather than the conservatorship estate.

**Updates:**

**Recommendation:**

**File 14 - Schmidt**

**Petitioner states** the Schmidt Trust is not closed. The Schmidt Trust has retained assets. Respondent William L. Schmidt, the proposed trustee, has agreed to accept the trust in this state. The present petition is a necessary requirement of the Iowa district Court, Chief Judge James M. Drew, to confirm California will allow Respondent William L. Schmidt to serve as trustee and accept jurisdiction. William L. Schmidt is an attorney duly licensed to practice law in all federal and state courts in California. Since admittance his practice has focused on serving the legal needs of incarcerated persons, including handling money as a trustee. Bond is not requested.

**Petitioner states the assets do not include real property and are comprised of liquid capital and negotiable securities (e.g. stocks and mutual funds) as follows:**

- i. First Citizens Trust Acct, Market Value \$46,050.47
- ii. Attorney Trust Acct, Market Value \$5,000.00
- iii. Patricia J. Schmidt Estate, Market Value \$77,236.07

Asset (i) is presently held by First Citizens National Bank in trust for the Patricia J. Schmidt Trust FBO Dwayne R. Frosch. The resignation as trustee pertaining to First Citizens National Bank is attached as Exhibit D.

Asset (ii) is presently held by the law firm of Heiny, McManigal, Duffy, Stambaugh & Anderson, P.L.C., of Mason City, IA.

Asset (iii) is presently held by Steve Schroeder, Executor of the Patricia J. Schmidt Estate.

**Examiner notes that the following documents are attached to the petition:**

**Exhibit A:** Last Will and Testament of Patricia J. Schmidt, which appears to contain the terms of the instant trust, and various related documents related to the Estate of Patricia J. Schmidt in the Iowa District Court for Cerro Gordo County.

**Exhibit B:** Application Regarding Appointment of New Trustee and Transfer of Jurisdiction to California;

**Exhibit C:** Order Approving Application Regarding Appointment of New Trustee and Transfer of Jurisdiction to California

**Exhibit D:** Resignation to Serve as Trustee by First Citizens National Bank.

**Petitioner prays as follows:**

1. That the Court issue an order accepting transfer of the place of administration of the Schmidt Trust as well as all Schmidt Trust assets;
2. That the Court appoint Respondent William L. Schmidt as trustee to administer the trust in this state; and
3. For any other relief that the Court may deem just and proper.

**SEE ADDITIONAL PAGES**

Page 3 – NEEDS/PROBLEMS/COMMENTS:

1. Examiner notes previously noted that the original petition does not state the names and addresses of each person entitled to notice of this petition pursuant to Probate Code §§ 17201, 17203. This amended petition still does not contain a complete list of each person entitled to notice. Need comprehensive list stating each person entitled to notice and his or her address.

*Note: Petitioner states he is the “sole existing beneficiary” of the trust; however, the testamentary trust in the will names an alternate trustee, Jesse Henderson, who is not included, as well as residual beneficiaries who appear to be entitled to notice including McKenzie Schumate, Desirae Bayliff, and Andrew Bayliff.*

2. Need Notice of Hearing (Mandatory Judicial Council Form DE-120 required for all probate proceedings.) See Probate Code §1211, Cal Rule of Court 1.31 re mandatory forms.
3. Need proof of service of Notice of Hearing at least 30 days prior to the hearing on all persons entitled thereto pursuant to Probate Code §17203. Note: This amended petition, although re-titled as “Notice of Petition and Amended Petition,” is still not consistent with the requirement for use of mandatory Judicial Council notice form which includes mandatory language regarding the hearing date.
4. Need points and authorities regarding this petition. The Decedent’s will was admitted to Probate in Iowa in 2013. The Iowa probate estate administration appears to be ongoing. The will provides for distribution of the decedent’s estate to a testamentary trust, the “Patricia J. Schmidt Trust.” (Note that this is not the instant trust.)

The Testamentary Trust then provides for its own separate administration and distribution in two shares, one share for Petitioner Dwayne R. Frosch, and one share for Derrick Shawn Bayliff, which shares are to be retained in trust and administered pursuant to the terms set forth therein. It appears that Dwayne and Derrick are income beneficiaries of their respective trusts only, and others (their issue?) are the ultimate beneficiaries of each trust share. (Dwayne’s subtrust is the instant trust.)

Petitioner requests that this Court accept transfer of the place of administration the “Patricia J. Schmidt Trust FBO Dwayne Frosch” and that this Court appoint William L. Schmidt, a resident of Fresno, CA, as trustee to administer the trust in this state.

However, under the circumstances described, it is unclear:

- a) whether the testamentary trust and subtrust have been created in accordance with applicable law and procedures; and
- b) why acceptance of jurisdiction by this California Probate Court is necessary.

SEE ADDITIONAL PAGES

## Page 4 – NEEDS/PROBLEMS/COMMENTSs (Cont'd):

Discussion:

- Need clarification as to how the probate estate process works in Iowa in order to understand what is being requested here.

Article VI, Section B of the will states: "On distribution of my estate from probate the Patricia J. Schmidt Trust, together with property received from any other source, shall be administered as follows...."

The above language infers a similar process to California's, whereby an estate, upon closing administration, distributes to the testamentary trust, and the estate's final distribution order is the order that creates the testamentary trust. The testamentary trust does not exist as an entity until estate administration is completed, nor would a subtrust of the testamentary trust exist yet.

This petition indicates, by reference to funds held in both the estate and in the estate executor's attorney's trust account, that the estate has not yet closed and distributed to the Patricia J. Schmidt Trust, while at the same time indicating that the subtrust is currently in existence, with reference to the First Citizens account and the trustee's resignation. How is this subtrust in existence? Is there an Iowa Court order that created the testamentary trust and/or its subtrusts that is not included for this Court's reference?

- The attached Iowa Court Order filed 2/23/15 requires a final accounting by the apparently resigned former trustee, First Citizens National Bank. Has this occurred? Will this affect the value of the assets provided?
- Pursuant to Probate Code §15602(a)(3), bond is required for a trustee not named in the trust instrument. If granted, need bond of \$94,915.19, which includes cost of recovery, based on the below figures.

**Need clarification regarding the three assets identified in this petition as assets of this subtrust:**

- i. First Citizens Trust Acct, Market Value \$46,050.47
- ii. Attorney Trust Acct, Market Value \$5,000.00
- iii. Patricia J. Schmidt Estate, Market Value \$77,236.07

Are these three accounts entirely assets that are allocated to Dwayne's subtrust, or do these amounts have yet to be split up? Why would funds still held in the estate be identified as assets of Dwayne's subtrust? How/when was the First Citizen's account created? Was there a preliminary distribution order that established the subtrust ahead of time and allocated only those funds? Was First Citizens trustee of only those funds, or trustee of the funds still contained in the estate as well? What assets will their final account cover? Are these figures current for calculation of bond?

SEE ADDITIONAL PAGES

## Page 5 – NEEDS/PROBLEMS/COMMENTS (Cont'd):

- Petitioner states at Paragraph 6 on Page 3 of the Petition: “The Schmidt Trust has been subject to the supervision of the District Court in and for the County of Cerro Gordo, Iowa.” Is Petitioner requesting this Court accept supervision of this trust, or simply jurisdiction in the event it becomes necessary?

A testamentary trust or its subtrusts would not necessarily require Court supervision, regardless of the income beneficiary's incarceration status. Why is this subtrust being supervised currently? (The requirement that First Citizens, as the resigned trustee, is required to account, and of course, the instant petition are both evidence that the subtrust is currently being supervised.)

A trust will typically either specify a preferred jurisdiction, or applicable law provides that the place of administration would be the proper place to initiate proceedings, if necessary. Acceptance of jurisdiction is not typically required of a trust that is not supervised. Here, the Decedent's will at Article XVI states “...the Trustee or any beneficiary may invoke the jurisdiction of any proper court at any time it is deemed advisable.” This language does not imply the necessity of Court supervision aside from in the event of disputes, or instruction requested.

If appointment of a successor trustee is necessary, why wouldn't the Court that currently has jurisdiction simply review the petition to appoint the successor trustee in accordance with applicable trust law, and in doing so, take into consideration the fact that appointing him may change the place of administration for purposes of jurisdiction?

Examiner notes also that Petitioner appears to be the sole income beneficiary, but is not necessarily the sole beneficiary. *The residual beneficiaries named in the will have not been given notice of this petition.* They may be entitled to information, accountings, etc. Would California jurisdiction affect them?

Note: If supervision is required, and this petition is granted, the Court will set status hearings for applicable events such as accountings, etc.

- Petitioner is currently incarcerated in Colorado, but plans to reside in California upon his release. California Probate Code §9202(b) provides for certain notice requirements for incarcerated estate beneficiaries in California probate estates. The Court may require clarification as to whether any such similar provisions exist in connection with Iowa Probate Code under which the estate/trust(?) is currently being administered and the result of such notice, if required.

Note: Upon further clarification, the Court may have additional questions or issues.
